TRIP REPORT

Sales & Operations Alignment

- [Yes] Confirm daily collaboration on business activity
- [No] Document GM involvement in sales calls/site visits (include most recent)
- [See Notes] Confirm Ops team participation on revenue calls
- [NA] Solicit feedback from Revenue Manager in advance of the RDO visit

Question Notes:

Confirm Ops team participation on revenue calls:

Ops team is not consistently joining the weekly revenue call. GM will begin attending and bring operational updates.

Back of House Audit

- [Yes] Confirm area cleanliness and organization
- [No] MHC Pulse is posted and discussed
- [See Notes] All communications posted >7 days are laminated and current (<30 days)
- [No] All permits are up to date

Question Notes:

All permits are up to date:

Elevator inspection certificate expires soon. Chief Engineer needs to schedule vendor follow-up and update the posted certificate.
